D.A.R.E Program Awards Peace Christian Students

A group of 24 Peace Christian students received awards after completing a 10 week D.AR.E program with Corporal Rupenthal this past Thursday. Corporal Joanne Rupenthal has been in the RCMP for 20 years, 18 of those she has been working with D.A.R.E program.

The D.A.R.E program helps students with tools to combat peer pressure, bullying, resistance, drugs and alcohol and just being a good citizen. Rupenthal mentioned the triangular effect involving the community, the RCMP and the community. These students are the next generation of leaders, and this group will have a few tools to help them stay on the right path.

Corporal Rupenthal met with grade 5, 6 and 7 students once a week for 10 weeks and had them participate in roll playing activities and other exercises to get students out of their comfort zone, in a safe environment.

Councillor Weisgerber attended the award ceremony on behalf of the District of Chetwynd and spoke a few words to the students. 6 students even took the opportunity to present their projects they completed during the program. Congratulations to all the students who took part in the program.

Community Forests Allowed To Grow

Community forests will be allowed to grow after the BC government announced changes to the Forest Act and Community Tenures Regulation.

On Friday, Minister of Forests, Lands, Natural Resource Operations and Rural Development Doug Donaldson announced that community forests can expand, so long as there is available area to do so. He says expansions of less than 100 hectares will follow a simplified process, while larger expansions will require a more thorough process, including a management plan and community engagement. Community forests are long-term agreements to manage Crown Land that may be held by a local government, community group, First Nation, or community-held corporation.The Little Prairie Community Forest, located north of Chetwynd and southeast of Moberly Lake, is 13,500 hectares in size.

I wish everyday
Was a May kind of day -

And buzzing bees,
With blowing breezes
And flowering tree!

Believe It or Not!

In 1963, major league baseball pitcher Gaylord Perry remarked, "They'll put a man on the moon before I hit a home run." On July 20, 1969, an hour after Neil Armstrong set foot on the surface of the moon, Perry hit is first, and only, home run while playing for the San Francisco Giants.

Chetwynd Says Goodbye to The Ice Cream Truck

Chetwynd's beloved ice cream truck, owned by local Jodie Ethier, has gone to Fruitville to its new owners. Jodie's ice cream truck has been a staple for many families in Chetwynd and surrounding areas, every summer for the better half of the decade.

Jodie bought the ice cream truck in 2010 and brought it to Chetwynd. She has seen children grow up through the summers and new families started. Jodie has attended many local events including the Chainsaw Carvings, soccer and baseball tournaments, school functions, Pemmican Days and West Moberly Days and Canada Day. When things got tough and she was having issues with where to park, many businesses stepped up and offered Jodie their property to continue running the ice cream truck.

Jodie says that she is sorry to let the ice cream truck leave Chetwynd but it has gone to a great new home where it will help the new owners pay their way through university.
