Double CHEESE Double BACON BURGERS

AND DOUBLE NAPKINS, PROBABLY.

A&W

How do you top a burger that's made with 100% pure beef raised without the use of hormones or steroids? Generously, that's how. Like a double helping of cheese and naturally smoked bacon. Because when you've made Canada's best tasting burger, there's nowhere to go

Autumn is the mellower season, and what we lose in flowers we more than gain in fruits.

My three-year-old daughter stuck out her hand and said, "Look at the fly I killed, Mommy." Since she was eating a juicy pickle at the time, I thrust her contaminated hands under the faucet and washed them with antibacterial soap.

After sitting her down to finish her pickle, I asked, with a touch of awe, "How did you kill that fly all by yourself?" Between bites, she said, "I hit it with my pickle."

We were tearing down an old three-seater outhouse when my neighbor asked if she could have the single-plank, three-hole outhouse seat. I said sure.

Six months later, she invited me to her home. There she showed off her newly designed family room, complete with a single-plank, three-hole picture frame featuring her three grandchildren.
