PROCLAMATION Veterans' Week

November 5 - 11, 2016

WHEREAS Canada has grown into a vibrant country, a nation shaped by its people, their courage, and their commitment to protecting and defending human rights, whenever and wherever they are threatened; and

WHEREAS Canadians have and continue to put themselves in harm's way, often willing to offer their lives, to restore liberty and democracy throughout the world; and

WHEREAS Peace and Freedom are not just words. They are values and beliefs worthy of sacrifice yesterday, today, and tomorrow; and

WHEREAS Canadian sacrifice and valour will be remembered forever as a rich legacy of peace, freedom, and identity.

NOW THEREFORE, I, Merlin Nichols, Mayor of the District of Chetwynd, take pride in proclaiming the week of November 5th - November 11th, 2016 as 'Veterans' Week', to pay tribute to all those who served and continue to serve in the cause of peace and freedom for all.

RCMP Corporal Joanne Ruppenthal, Veteran Bob Shirley, Veteran Clayton Hutchings, Karen Buckley, President, Chetwynd Royal Canadian Legion #258, Veteran Lawrence Dunn & Mayor Nichols

November comes
And November goes,
With the last red berries
And the first white snows.
With night coming early,
And dawn coming late,
And ice in the bucket
And frost by the gate.
The fires burn
And the kettles sing,
And earth sinks to rest
Until next spring.

SAULTEAU FIRST NATIONS WOMAN NAMED INDIGENOUS PEOPLES' COUNSEL

Former countryside Dawson Creek resident, Val Napoleon, has been named Indigenous Peoples' Counsel – a rare title given to one First Nations, Inuit or Metis lawyer for “outstanding achievements in the practice of law” by Canada’s Bar Association each year. Napoleon is now a law professor at the University of Victoria and she has roots with the Peace Region’s Saulteau First Nations.

For those who gave

On November 11, Remembrance Day commemorates the sacrifice of Canadians who served their country in times of war. This day marks the end of the First World War, when the armistice was signed by Germany and the allied forces in Paris on Monday, November 11, 1918. A ceasefire came into effect at 11:00 a.m. on the same day.

Some 60,000 Canadians died in combat in that war, a sad fact which is remembered in many ceremonies organized across the country, from the Canadian War Memorial in Ottawa to cenotaphs in hundreds of towns and cities. According to tradition, all Canadians are asked to observe two minutes of silence at eleven o'clock, on the eleventh day of the eleventh month. We do this because we must never forget the weight of war.

*District of Chetwynd
Mayor, Council and Staff
remember those who gave
their lives in service of our
country, and those who are
still serving our country.*

*Lest
we
forget.*

*Remembrance Day
isn't just about war and
those we've lost,
but about ideals and what
we stand for.
It's about respecting our
past and looking hopefully
forward, and more than anything,
thanking those who have served.*

*Remembering the
veterans this
November 11th.*

We Remember!

IN FLANDERS FIELDS

By Lieutenant Colonel John McCrae

*In Flanders fields the
poppies blow
Between the crosses, row on row,
That mark our place:
and in the sky
The larks still bravely singing fly
Scarce heard amid
the guns below.
We are the dead: Short days ago,
We lived, felt dawn,
saw sunset glow,
Loved and were loved:
and now we lie
In Flanders fields!
Take up our quarrel
with the foe
To you, from failing hands,
we throw
The torch: be yours
to hold it high
If ye break faith
with us who die,
We shall not sleep,
though poppies grow
In Flanders fields*

*Composed at the battlefield on May 3, 1915
during the second battle of Ypres, Belgium*

MEET THE MAYOR

November 9, 2016

Relationships between municipalities and the Peace River Regional District are more often than not amicable and productive in spite of the ambiguities created by the nature of the Provincial legislation that created the Regional Districts.

In Chetwynd the most obvious points of contact involve the Chetwynd Recreation Complex and the Fire Protection Services. Very important but less obvious is the Regional District's participation in the Economic Development Office (EDO).

From the perspective of Council and Administration, Economic Development, as promoted in the Chetwynd EDO, is never exclusive to the municipality. For other than legal and taxation purposes, we are not officially conscious of boundaries. Life and activity and promotion of opportunities flow forth and back as if Chetwynd and the Fringe Area were one. This is how it should be; we want to keep it this way.

As a lifetime resident of the Fringe Area but earning my keep primarily within the District of Chetwynd with regular responsibility in every other municipality in the North East, I probably have as strong a sense of regionality as can be experienced. I strongly promote the cooperation that will make us strong.

In 2015 the North East made a vigorous and successful case for maintaining Fair Share in the Region. In its present iteration as the Peace River Agreement, the North East receives 50 million annually to go primarily towards building and restoration of infrastructure. This fund is allocated to the municipalities and the Electoral Areas according to a complex formula that takes into consideration population and capital assessment.

The principal of Fair Share, in which we recognize that the billions of dollars in rural industrial infrastructure, not taxable by municipalities or the Regional District, represents a tangible real cost to the entire area through its use of area roads, lands, and services. The Provincial Government acknowledges this cost through this annual contribution.

I've been toying with the idea that the principle governing the Peace River Agreement allocation to the North East could be applied to other agreements between municipalities and Electoral Areas. Please be assured that I am merely throwing out an idea that may or may not make a lot of sense to you now. But let it percolate a while before you throw it out.

All of us who live in the Fringe Areas surrounding the municipalities make frequent use of municipal facilities, streets, services, and merchants. As users of the municipalities or the businesses located within them, we contribute to the wear and tear on the infrastructure and the cost of operating it. Not a lot, but some and some more than others.

This concept is more readily applied to services than to capital installations. Here is how it might work: If service A is necessary in every municipality but is a service that does not require full time employment in any municipality, the Regional District could take on the function and allocate to each participating municipality according to need and charge according to a formula similar to the Fair Share formula. This could relieve a lot of the angst presently involved in trying to fill certain needs.

If you have ideas for improvement of my idea send them to me at my District of Chetwynd email.

Merlin Nichols, Mayor

HONK - IF YOU STOP FOR REDS FLASHING

Standard Bus employees took to the streets on Friday, November 4th to promote bus stop safety. The Standard Bus team was located beside IGA in the open parking lot, serving hotdogs and getting drivers passing by to honk in acknowledgement of their sign "honk if you stop for reds' flashing." Their goal was to educate the motoring public about the importance of STOPPING for the red flashing lights of a school bus and ultimately keep our children safe.

Operation Safe Stop Education and Enforcement Day is an ongoing program developed by the New York Governor's Transportation and Safety Committee. Surveys, conducted by ASTSBC in 2006 and 2007, found that there are between 400-500 red light violations per school day in BC or 2000 to 2500 per week. Motorists should not need to be reminded to obey the law, but everyday drivers put our students lives at risk by running school bus red flashing lights while children are crossing. Fines have been at \$167.00 in British Columbia, but on May 16th of this year, the Ministry of Transportation and infrastructure announced fines will be raised up to \$368.00.

A big thanks to Standard Bus for doing your part in helping keep our kids safe.

CHETWYND FIRE FIGHTERS BALL 2016

The Chetwynd Fire Department has had a remarkable year with the purchase of a new fire truck and a lot of new equipment, the expansion of the fire hall, a plethora of new people and the welcome of Chetwynd's first ever female firefighter. They had a lot to celebrate at the 53rd Annual Firefighters' Ball.

There was dinner, drinks, decorations, dancing, door prizes, and of course the highly anticipated awards. As always, the night was filled with laughter and an all around great time with thanks to the great Master of Ceremonies Dan Chmelyk.

The Meritorious Awards for long time service were presented by the Chief and Mayor to Gord Galbraith for 20 years service, Randy Walker for 25 years service, Dan Chmelyk for 30 years service and Laverne Norris for 35 years service. Attendance awards were given to 11 deserving firefighters. The McNobb Award went to 2 firefighters who did the best job of messing up, and the Firefighter of the Year award went to Mike Kozak. The winners also received a cheque from the District of Chetwynd.

The dinner was provided by Simply Perfect Catering and was, well, simply perfect. There was delectable roast beef and cornish hens, an assortment of salads and finger delights like cocktail shrimp and fruit, as well as an array of desserts. The food was perfectly prepared and presented. The decor in the hall added a chic flare to the event with interesting centre pieces and an all around outdoorsy feel. Standard Bus offered rides home to all the patrons free of charge, and all proceeds from the event will go towards Muscular Dystrophy Fund as well as the Christmas Hamper.

I was in a restaurant once and I suddenly realized I desperately needed to pass gas. The music was really, really loud, so I timed my reliefs to the beat of the music. After just a few songs I started to feel better. I finished my coffee, and noticed that everybody was staring at me... That was when I remembered I was listening to my iPod.
