## DAWSON CREEK RCMP NEWS RELEASE

On October 24th 2015, Dawson Creek RCMP responded to a complaint of a kidnapping and aggravated assault. Upon arrival police learned that a 31 year old male had been taken at gunpoint from the Taylor Pub and transported to Dawson Creek where he was beaten, bear sprayed and stabbed in the legs. The male managed to escape and ran to a nearby residence where he called for an ambulance. The victim was taken to the hospital where he received medical treatment. Police utilized police dog services and conducted a back track of the male which resulted in locating the residence where the assault took place. A thorough forensic examination of the property was conducted. Unfortunately the victim is not being cooperative with police, which is hampering the investigation.

On November 5th 2015, Dawson Creek RCMP responded to a complaint of shots fired in the 1500 block of 99th Avenue in Dawson Creek. Investigation reveals that an individual approached a residence and fired three shotgun rounds into the house. Police seized the residence for investigation and are in the process of conducting a forensic examination of the residence. Three males were escorted from the residence, all claiming that the residence was targeted by mistake. Again there is a lack of cooperation taking place which is hindering the investigation. Ongoing investigation reveals that there was drug activity occurring in the neighbourhood where the shooting took place.

Police are not able to confirm whether or not the two incidents are connected at this time.

Police are asking the public for assistance in these matters. Anyone with information is asked to call the Dawson Creek RCMP or Crimestoppers at 1-800-222-8477. Crimestoppers may provide a monetary award for information which assists these investigations.

Sgt. E. REININK, Dawson Creek RCMP

*The poverty of our century is unlike that of any other. It is not, as poverty was before, the result of natural scarcity, but of a set of priorities imposed upon the rest of the world by the rich.*

*Consequently, the modern poor are not pitied... but written off as trash. The twentieth-century consumer economy has produced the first culture for which a beggar is a reminder of nothing. ~John Berger*

AND STILL HAVE FUN!**

# WEEKLY HOROSCOPE

**ARIES** (Mar. 21- April 20) Your intellectual charm will entice new love interests. Your communication skills will bring you popularity and increased self esteem. If you've been under stress and worrying about older members of the family, it's time to come to terms with the situation. Use your creative talent in order to accomplish your goals. Your lucky day this week will be Wednesday.

**TAURUS** (Apr. 21- May 21) You won't get the reaction you want from your mate this week. Make plans to attend group discussions or get together with friends who like to talk as much as you do. Don't divulge secret information. Your home may be in an uproar and you are best to stay out of the line of fire if at all possible. Your lucky day this week will be Thursday.

**GEMINI** (May 22-June 21) They will jump at the chance to do something without you if it sounds like more fun. You can meet interesting new friends if you join worthwhile groups. You will upset your partner if you have spent money on things that aren't necessary. You can get others to do things for you but be sure not to overpay them or lend them money. Your lucky day this week will be Thursday.

**CANCER** (June 22-July 22) Your determination and stamina will make your work look flawless and effortless. Beware of someone who is trying to make you look bad. Don't consume more than necessary. If you've been under stress and worrying about older members of the family, it's time to come to terms with the situation. Your lucky day this week will be Friday.

**LEO** (July 23-Aug 22) Now is a good time to ask for favors. Courses dealing with psychology or health care will be of interest. You are best not to confide in anyone right now. You will need to spend extra time sorting through your work. Your lucky day this week will be Tuesday.

**VIRGO** (Aug. 23 -Sept. 23) Limitations at work might set you back. Use some diplomacy to get your point across delicately. Your practical approach to life may charm someone who has been observing you. Nagging has never been something that you could tolerate, and it's once again driving you into a lonely state of affairs. Your lucky day this week will be Monday.

**LIBRA** (Sept. 24 -Oct. 23) You may find that your documents are not in order. Don't be too eager to spend money that you really don't have. Relationships may be hard to handle. Don't be too eager to buy things for those who really don't deserve it. Your lucky day this week will be Monday.

**SCORPIO** (Oct. 24 - Nov. 22) Your reputation may be at stake if you partake in gossip. It's time to reevaluate your motives. This week will be hectic. Children will want to help, too. Your lucky day this week will be Sunday.

**SAGITTARIUS** (Nov. 23 -Dec. 21) You have so much to offer; open up and let your thoughts be known. Don't bang your head against a wall. Try not to get backed into corners. Go after your goals. Your lucky day this week will be Tuesday.

**CAPRICORN** (Dec 22.- Jan. 20) Your charm will be captivating. Cultural activities will prove to be quite enlightening for everyone. Socializing will be more than just entertaining. Don't allow someone to do a job that was designated specifically for you. Your lucky day this week will be Saturday.

**AQUARIUS** (Jan. 21 -Feb. 19) You can make financial gains through your unique and creative approach to business. You should get out and enjoy social events where you are likely to meet new potential mates; however, don't over spend. Empty promises are evident. Speak of your future goals, intentions, and commitments. Your lucky day this week will be Tuesday.

**PISCES** (Feb. 20-Mar. 20) Get together with people who stimulate you mentally. Travel opportunities look positive, but be cautious while driving. Jealousy may be a contributing factor to your emotional ups and downs. Most partner problems are a result of both people not living up to their promises. Your lucky day this week will be Saturday.

## Thank You

Even though words are not enough  
and cannot express the blown away  
feeling that overwhelms me daily, I truly  
believe that all the prayers, well wishes  
and positive energy that has been and is  
still being sent my way has been a major  
factor in the leaps and bounds I am  
making recovering from the accident  
I was in.

I don't want to single anyone out as so  
many people have gone above and  
beyond. There are people that have put  
aside their own trials to come together to  
give to me in so many ways. I can only  
say thank you with all my heart. I am  
humbled by, not only all of your  
generosity to me, but have extended to  
Frank and my family.

The sense of community has hit home in  
so many ways.

Thank you all so very much!!
