MORE THAN FIVE PEOPLE A DAY DYING FROM DRUG TOXICITY: BC CORONERS SERVICE

The BC Coroners Service has published updated reports on illicit drug toxicity deaths and fentanyl-detected drug deaths to Oct. 31, 2020, with 162 illicit drug toxicity deaths reported in October. The latest data equate to five people per day losing their lives to illicit drug overdoses.

"This is the fifth month this year with more than 160 suspected illicit drug deaths reported to the BC Coroners Service and more than double the number of people who died as a result of a toxic drug supply in October 2019," said Lisa Lapointe, chief coroner. "We are continuing to see record-breaking numbers of people dying in B.C. due to an unsafe drug supply in our province, and it's taking a toll on families and communities in this dual health emergency," Lapointe said. "Challenges during COVID-19, such as access to key harm-reduction services and the toxic drug supply, including the extreme concentration of illicit fentanyl, are resulting in continuing significant and tragic loss of life across the province. Our hearts go out to those grieving the loss of family members, friends and colleagues.

"We encourage clinicians to support those at risk of overdose by prescribing safe supply and reducing the numbers of lives lost to toxic substances. We also continue to advocate for an accessible, evidence-based and accountable treatment and recovery system for anyone experiencing problematic substance use who is seeking this medical assistance."

The number of people who died from illicit drug toxicity in October 2020 (162) represents a 116% increase over the number of deaths in October 2019 (75). The BC Coroners Service has detected a sustained increase of illicit drug toxicity deaths since March 2020. The province has now recorded eight consecutive months with over 100 illicit drug toxicity deaths.

Post-mortem toxicology testing data published in this report again suggest an increase in the number of cases with extreme fentanyl concentrations (exceeding 50 micrograms per litre) in April to October 2020, compared with previous months.

There have been 1,386 illicit drug deaths to date in 2020 in British Columbia. The number of deaths in each health authority is at or near the highest monthly total ever recorded. Each one of these deaths has a significant impact on loved ones, family members and communities.

My wife and her friend were out to lunch when the temperature drastically dropped. They stood by her friend's truck, shivering, while the friend searched for a key to unlock the door. My wife asked, "Can't we sit in the truck while you find your keys?"

My husband can't activate our Amazon Echo, because he keeps forgetting its name, Alexa. "Just think of the car Lexus and add an 'a' at either end," I suggested. The next time he wanted to use our new toy, he looked a bit puzzled. Then he remembered what I'd said and confidently called out, "Acura!"

The average age of people living in our military retirement community is 85. Recently, a neighbor turned 100, and a big birthday party was thrown. Even his son turned up. "How old are you?" a tenant asked. "I'm 81 years old," he answered. The tenant shook her head. "They sure grow up fast, don't they?"

LOOKING FOR ADOPTED PUPPY FAMILY

Hello Chetwynd! We are looking for the people who had husky/Akita puppies in April 2009. We got a 5 week old male from you and we love him dearly, and if possible, we would like to adopt another puppy from his family! This family was located about 8 miles towards Tumbler Ridge in a green house on the left hand side hill. If anyone can put us in contact with these people it would be greatly appreciated.

Contact us: 250-775-0772 or 250-775-0005 TracyPodaima@gmail.com

On our commute to work, my husband stopped at a convenience store for coffee. As he got back into the car, I noticed something odd. "Turn your head and look at me," I said. "You have a Q-tip sticking out of your ear." As he pulled it out, he replied, "No wonder the guy in there asked me if I was getting good reception."

Do you have a loved one you'd like to remember this Christmas?

In loving memory

Bring in a picture and we'll run it in our Christmas Issue.

*Deadline is Wednesday, December 9 at 1pm.
