## 9TH ANNUAL HEALTH BLITZ IN CHETWYND

Chetwynd Society for Community Living held their 9th annual "Health Blitz" at the Chetwynd and District Rec Centre this past Wednesday.

This event, which was free to the public, is geared towards parents of young children and showing all of the great resources offered in Chetwynd and surrounding area. Children aged 0-6 were invited to attend with their parents and there were many fun things for the kids to participate in. From face painting to story time with Amanda Stewart- Chetwynd Public Library's newest Children's program coordinator. There were students from Little Prairie Elementary playing puppets and offering information as well as a ton of other groups holding raffles and offering informational handouts. This is always such a great event that helps to better connect parents to important health, educational, recreational and even financial resources.

If you missed the event, contact the Chetwynd Society for Community Living for more information .

## SAGITTARIUS (Nov. 23-Dec. 21)

Be sure to take care of the needs of youngsters. Talk to others about your plans. Help an older member with a problem that faces them. You can bet that situations will get out of hand if you allow others to interfere.

Your lucky day this week will be Sunday.

## CAPRICORN (Dec 22.-Jan. 20)

Dig deep to find out how costly a new venture will be before you sign on the dotted line. Be sure to find out all you can before you commit to anything. You need a change of pace. Travel and learning should be on your agenda this week.

Your lucky day this week will be Sunday.

## AQUARIUS (Jan. 21-Feb. 19)

You may not have the same ideas when it comes to what you both enjoy. You are best to stick to yourself this week. Problems with skin, bones, or teeth may mess up your schedule. Balance is required if you want stability.

Your lucky day this week will be Monday.

## PISCES (Feb. 20-Mar. 20)

Don't let coworkers get wind of your ideas or they might try to take credit for your hard work. Money problems will get worse if your partner hasn't been playing by the rules. Be careful how you deal with colleagues. Look into attending seminars that can expand your perception.

Your lucky day this week will be Wednesday.
