Unvaccinated Health Workers Put on Leave

Unvaccinated workers in the health-care system have been placed on unpaid leave, and are given until Nov. 15 to get their first dose or get fired. Following an Oct. 26 deadline, these workers have been placed on unpaid leave and were given until Nov. 15 to get their first dose or be fired. Broken down by job status, allied health workers which include clinical pharmacists, medical laboratory technologists, occupational therapists and physiotherapists had 420 unvaccinated workers, or two per cent.

Nurses and nurse practitioners, as well as personnel in emergency medicine, general medicine, and specialized surgical units, also had a two per cent unvaccinated rate, while unvaccinated workers in internal medicine made up slightly less than one per cent. Dix said the percentage of health-care workers who have been immunized continues to rise.

"It is our hope that people will continue to get vaccinated so we can reduce the number of people who are on leave of absence without pay or have lost their positions," he said.

Dix said he does not want to lose anybody working in health care because they're unvaccinated, but noted that the greatest threat to staffing is COVID-19 outbreaks in health-care facilities.

To save some money, I asked my brother, who is deathly afraid of heights, to patch my roof. He has tools and a convenient reluctance to say no to his hapless sister. I couldn't seem to get my balance to assist him, so I was instructed to hand over water when needed—and to stop requesting he take photos of me pretending to use a hammer.

After six hours, as he was finishing up, our radio played a tornado—warning siren. The next day, shingles were strewn all over the road. I think I did him a favour, though, by imploring him to patch it again, because falling is no longer his greatest fear. Now it's receiving a text from me.

Winter Parking and District Roads Information

Winter is coming and snow removal is always a concern. When removing snow from your property it is required that the snow pile must remain on your property and not be pushed across the roads and onto district property or other private property.

A full list of the District of Chetwynd Bylaws can be found on our website at www.gochetwynd.com under the heading Municipal Office/Bylaws and follow the link.

The District of Chetwynd's Snow Clearing Policy, snow plowing will begin after 50mm of snow accumulation, roads will be plowed on a priority basis and residential streets will be plowed within 48 hours following the subsidence of the snowfall. If vehicles are parked on residential streets following a snow fall, the road will not be cleared until all vehicles have been removed and it has been deemed safe by the District.

You are the sum total of everything you've ever seen, heard, eaten, smelled, been told, forgot - it's all there. Everything influences each of us, and because of that I try to make sure that my experiences are positive

Weekly Horoscope

Libra - you'll find yourself increasingly popular. At work, people will hang on your every word and warmly applaud you. At home, you may need to spend some time cleaning up, even if it's just to help clear your mind.

Scorpio - you have a lot of running around to do, either for work, for matters concerning your health or for a loved one. A debate is on the horizon; you'll have to make accurate and precise arguments before you impose your opinion on the person.

Sagittarius - you'll finally be able to offer yourself some financial guarantees for your future, which will take a huge weight off your shoulders. You could also develop a more specific plan for your retirement.

Capricorn - You'll get a decent promotion at work, or, at the very least, you'll set your sights on a specific goal you want to achieve. You'll have the opportunity to get some kind of fresh start, and many people will follow in your footsteps.

Aquarius - You'll need to spend some time reflecting before you put your words into action. If you're looking for a job, you'll gain new insight that could lead you to a wonderful career. You'll be inspired by the people who are close to you.

Pisces - After a long period of stress, you need time to get some rest and recharge. You'll enjoy more passive activities that help you recuperate. A family member will need your help dealing with chaotic situation.

An elderly Florida lady did her shopping and, upon returning to her car, found four males in the act of leaving with her vehicle. She dropped her shopping bags and drew her handgun, proceeding to scream at the top of her lungs, "I have a gun, and I know how to use it! GET OUT OF THE CAR!"

The four men didn't wait for a second threat. They got out and ran like mad. The lady, somewhat shaken, then proceeded to load her shopping bags into the back of the car and got into the driver's seat. She was so shaken that she could not get her key into the ignition. She tried and tried, and then she realized why. It was for the same reason she had wondered why there was a football, a Frisbee, and two 12-packs of beer in the frontseat.

A few minutes later, she found her own car parked four or five spaces farther down. She loaded her bags into the car and drove to the police station to report her mistake. The sergeant to whom she told the story couldn't stop laughing. He pointed to the other end of the counter, where four pale men were reporting a car jacking by a mad, elderly woman described as white, less than five feet tall, glasses, curly white hair, and carrying a large handgun. No charges were filed.

Aries - You'll have a chance to expand your social circle. In a professional setting, you'll form new friendships with people who are fun to be around. If your single, Love at first sight will also be possible.

Taurus - You might consider going back to school. At work, you'll be put in touch with people of various nationalities, and you'll work well together. In your love life, a getaway will give your relationship si second wind.

Gemini - If your new love interest has a different background, you may need to make a few adjustments. Avoid moving forward too quickly. A more equal distribution of task at home would be greatly appreciated.

Cancer - Your emotions will be strong and right at the surface. This will awaken the artist within you. Your high level of precision and attention will prevail, and you'll have the guts to do things differently.

The police called us in the middle of the night.

"Where is your son?" the officer asked. "In bed?" we said. "He's with us," came the reply. Our 10-year-old had unfortunately egged the local school with a friend. How was he caught? He was nabbed running back to the school with the empty cartons because, he told the cops, "There wasn't anywhere else to recycle them."

Every generation responds to crisis differently. One time, during a dinner out, my mom and my aunt got into a huge fight over the latter's spending habits. My mom, prone to dramatic displays, protested by leaving the restaurant and lying down in the middle of traffic. Everyone immediately rushed outside. My dad was convincing her to get off the road, I was redirecting cars and my two uncles were trying to calm the gathering crowd behind us.

After my aunt apologized and my mom agreed to get up, we suddenly realized that my younger brother, 20, was missing. Fifteen minutes later, we finally found him crouching behind a large garbage bin. When asked why he was hiding, he said, "I don't want to end up on YouTube."
