B.C. HONOURS POLICE OFFICERS FOR BRAVERY AND COMMITMENT TO KEEPING COMMUNITIES SAFE

Police officers selflessly put their lives on the line each and every day to ensure British Columbians are safe. That's why 121 deserving women and men of law enforcement were recognized for their bravery and dedication Nov 16th at the 37th annual Police Honours Night at Government House.

Lt.-Gov. Judith Guichon and Minister of Public Safety and Solicitor General Mike Farnworth presented awards to officers of all ranks, from municipal departments and RCMP detachments, for their extraordinary accomplishments in life-saving incidents, their determination above and beyond the call of duty and their work to make B.C.'s communities safer.

Some of this year's recipients included:

A team of constables from Port Moody who entered a burning home, despite thick smoke and very limited visibility, to search for and evacuate residents.

Vancouver officers who placed themselves at substantial risk to protect the public while pursuing a male suspect on a shooting spree.

A constable from Chetwynd who searched a steep embankment in cold temperatures and impending darkness to save a hypothermic man from near death.

Members from Ridge Meadows who entered a residence with an armed home invasion in progress to rescue hostages and apprehend suspects.

A team of constables from New Westminster who successfully resolved a crisis negotiation involving an armed, suicidal male holding a female hostage.

A constable from North Cowichan/Duncan who managed a chaotic scene where victims had been stabbed, quickly providing first aid and single-handedly arresting the suspect at large.

In all, 42 officers received the award of valour, the highest award for a police officer in British Columbia. These officers exhibited exceptional courage, regardless of personal safety, in an attempt to save or protect others from harm.

In addition, 79 officers were feted with honours for meritorious service, recognizing exemplary performance that answered the call to service in exceptional ways.

Chicken BUDDY BURGER

AGW

RAISED WITHOUT the use of ANTIBIOTICS

Sized for snacking, the Chicken Buddy Burger starts with juicy chicken - raised without the use of antibiotics - battered to crispy, golden perfection and paired with mayo and pickles. Add this tasty treat to your meal for only \$2.50.

I walked along the edge of the lake and was treated to the crunch and rustle of leaves with each step I made. The acoustics of this season are different and all sounds, no matter how hushed, are as crisp as autumn air.

Having finally gotten used to each other's existence, Brad and Dusty must now deal with their intrusive fathers during the holidays.

Will Ferrell, Mark Wahlberg, Mel Gibson

Even with a thousand games, dolls and crafts to choose from, my customer at the toy store still couldn't find a thing for her grandson.

"Maybe a video or something educational?" I asked.

"No, that's not it," she said.

We wandered the aisles until something caught her eye: a laser gun with flashing lights and 15 different high-pitched sounds.

"This is perfect," she said, beaming.
"My daughter-in-law will hate it."

Several months ago, my daughter and I had similar sickness symptoms. She decided to consult a doctor so as not to lose any more time from her job.

"I'll see the doctor," she said, "and then tell you what's wrong with us."

The next day she called to say, "Guess what, Mom. We're pregnant!"

Needing to look up
a phone number at
a friend's house,
my teenage
daughter asked
for a phone book.
She might as well
have asked for a
papyrus scroll.

"A phone book?"
asked her friend.

"You know," said
my daughter. "A
book with numbers
in it."

"Oh," said her
friend as it
dawned on her.
"You mean a math
book."
