Chetwynd 3 Day Forecast

Wed 06/30 Risk of strong thunderstorms 37°	Thu 07/01 A Few showers 25°	Fri 07/02 Cloudy with showers 22°
--	---	---

Heat Warning in Effect

Heat Warning in effect for:
 B.C. North Peace River
 B.C. South Peace River

A dangerous long duration heat wave will affect B.C. until Wednesday, except until Tuesday for northwestern BC. Threat: Daytime highs ranging from 35 to 40 degrees celsius combined with overnight lows near 16 degrees celsius. An exceptionally strong ridge of high pressure is situated over British Columbia and will likely result in record breaking temperatures over the next few days. The duration of this heat wave is concerning as there is little relief at night with elevated overnight temperatures. This record-breaking heat event will increase the potential for heat-related illnesses, raise river levels due to glacier melt and increase the risk of wildfires due to drought conditions. Drink plenty of water even before you feel thirsty and stay in a cool place. Check on older family, friends and neighbours. Make sure they are cool and drinking water. Never leave people or pets inside a parked vehicle. Watch for the symptoms of heat illness: dizziness/fainting; nausea/vomiting; rapid breathing and heartbeat; extreme thirst; decreased urination with unusually dark urine. Outdoor workers should take regularly scheduled breaks in a cool place. To get more information:

- Check the local news for health and safety updates.
- Check HealthLinkBC online resources about heat-related illness and how to protect yourself at www.healthlinkbc.ca/healthlinkbc-files/heat-related-illness.
- Call HealthLinkBC at 8-1-1 to ask about heat-related illness.

Environment Canada and local Medical Health Officers expect an increase in health and safety risks from heat and are advising the public to take precautions.

Please continue to monitor alerts and forecasts issued by Environment Canada. To report severe weather, send an email to BCstorm@canada.ca or tweet reports using #BCstorm.

Canada Day Celebrations

June 21st - July 3rd, 2021

CARVERS ROW – PRAYER FLAG *June 21st - July 3rd*

A Canadian flag will be located at Carvers Row! Alongside the flag, a rope will be provided to tie your prayer flag to. A prayer flag is a long piece of cloth on which you can write a message to a loved one, memorial words or just your name. This is a safe way to help celebrate our beautiful country in a loving, peaceful way!

You can pick up the prayer flags at the Chetwynd & District Rec Centre or the Chetwynd Visitor Centre. Please observe physical distancing on the walkway and while writing your message and tying your prayer flag to the rope.

CHETWYND & DISTRICT REC CENTRE – July 1st

Registration is required please contact 250-788-2214

5 fun summer ideas for kids and parents

(NC) The warmer weather means it's time for exploring and adventures, especially after spending so much time cooped up indoors. Here are a few creative ways to do family favourites this summer:

1. Take a neighbourhood tour

Try rediscovering an area in your city or town and experiencing it with new eyes. Look for self-guided walking tours online where you can learn about its history and neat facts. Or make a scavenger hunt game out of it, getting everyone to try to be the first to spot some graffiti art, a purple car or a special landmark. Whoever wins can get an extra scoop of ice cream when you visit the local parlour at the end of the day.

2. Check out a drive-in attraction

Who says drive-ins are old school? They're making a comeback as a safer way to enjoy activities that typically involve crowds in closed spaces. Look for a theatre near you screening the latest Hollywood release or an old classic. Other drive-in options now available include comedy shows and concerts. Pack some cozy blankets and your favourite snacks for a budget-friendly family evening.

3. Camp under the stars near or far

Camping is super popular this summer, but there should still be a few openings left at a national or provincial park that's a bit further afield or less in demand. Or save yourself the trip and camp out in your own backyard — the kids will have just as much fun and it'll be less work for parents. Plan fun activities, like camping charades, crafts with nature and glow-in-the-dark bowling.

4. Enjoy the journey on a road trip

See new places in a safer way with an in-province day trip that's all about the journey. Schedule stops at outdoor landmarks or attractions and plan to stop at fun local takeout spots that you pick together as a family. Save money by getting more out of your gas with a high-efficiency fuel like Synergy Supreme. Available at Esso stations, the premium fuel helps keep your engine three times cleaner for more kilometres per tank compared to gasoline meeting minimum Canadian government standards in port-fuel injected engines. Actual benefits are based on continuous use and may vary depending on vehicle type, driving style and gasoline previously used.

5. Visit a new community park

Spend an afternoon at a park you don't normally go to, pointing out any new trees, plants and birds to your kids. You'll be surprised how exciting a different playground or sport facility can feel. You can even bring activities for the kids and your laptop to get some work done on a weekday afternoon for a break in your usual routine.

Teacher: "If I gave you 2 cats and another 2 cats and another 2, how many would you have?"

Johnny: "Seven."

Teacher: "No, listen carefully... If I gave you two cats, and another two cats and another two, how many would you have?"

Johnny: "Seven."

Teacher: "Let me put it to you differently. If I gave you two apples, and another two apples and another two, how many would you have?"

Johnny: "Six."

Teacher: "Good. Now if I gave you two cats, and another two cats and another two, how many would you have?"

Johnny: "Seven!"

Teacher: "Johnny, where in the heck do you get seven from?!"

Johnny: "Because I've already got a freaking cat"

A child asked his father, "How were people born?" So his father said, "Adam and Eve made babies, then their babies became adults and made babies, and so on." The child then went to his mother, asked her the same question and she told him, "We were monkeys then we evolved to become like we are now." The child ran back to his father and said, "You lied to me!" His father replied, "No, your mom was talking about her side of the family"
