NORTHERN HEALTH LAUNCHES HEALHELIFE PATIENT PORTAL

Northern Health has launched the HealtheLife patient portal, where Northern BC residents who received care at a Northern Health hospital or urgent and primary care centre can view hospital-based health information, including COVID-19 results, online.

Whether accessing the portal on a computer or smartphone, Northern BC residents can also view upcoming appointments, additional lab tests, and imaging results.

HealtheLife is another tool, similar to NH Check In, that NH has developed to make physical distancing easier in health care settings. Use of the portal is optional, and patients can still go to their clinic or doctor's office to get test results. For help understanding test results and advice on next steps, patients will still need to consult with their health care provider.

"This is the result of years of collaboration focused on improving coordinated and accessible services to patients and their families all over the North," says Bjorn Butow, Northern Health's director, clinical information systems. "Empowering people to access their own health information through secure patient portals is a growing trend across the province."

Before being made available to the public, HealtheLife was tested by Northern Health staff members. More than 430 staff members signed up to help test it, and feedback was positive.

For more information about HealtheLife and how to sign up, visit northernhealth.ca/healtheLife.

CHETWYND VIRTUAL LITERACY WEEK

the District of Chetwynd strives to be a vibrant, inclusive, healthy, socially responsible community; and

the Community Adult Literacy Program recognizes that participation in literacy awareness has the capacity to increase self-esteem, open doors to more educational and employment opportunities, encourages parental involvement and participation in family literacy,

provides motivation and support to learn more about the various forms of literacy; and

this upcoming Virtual Literacy Week presents and opportunity to encourage everyone in Chetwynd and surrounding areas to get involved.

I, Allen Courtoreille, Mayor of the District of Chetwynd recognize and proclaim the week of **January 11 – 15, 2021** as “Chetwynd Virtual Literacy Week”.

Allen Courtoreille

My high-school English teacher was well known for being a fair, but hard, grader. One day I received a B minus on a theme paper. In hopes of bettering my grade and in the spirit of the valentine season, I sent her an extravagant heart-shaped box of chocolates with the pre-printed inscription: "BE MINE." The following day, I received in return a valentine from the teacher. It read: "Thank you, but it's still BE MINE-US."

Steve Smith

August 21, 1970 - December 24, 2020

On the evening of December 24, 2020 Steve Smith went to heaven to be with his Mom Mavis. Steve was born August 21, 1970 in Duncan, BC to Mavis and Barry Smith (now of Chetwynd, BC), he loved them beyond compare.

Steve is survived by his loving wife Rhonda "Sweetie", son Koby, and daughter Haley "Muriel" (Dillion); his father Barry, brother Wayne (Connie) Smith, brother Ken (Lillian) Smith; his father and mother in-law Ken and Val Gerbrandt; brothers & sisters in law Dale (Rhonda) Gerbrandt, Lisa (Gene) Wesley and Bev Smith. He is also missed dearly by numerous nieces and nephews, extended family and many friends.

Steve dedicated his life and love to his soulmate Rhonda and children Haley and Koby. All the good times included road trips, camping, travelling to other countries, kayaking, concerts/music festivals galore. A highlight of their travels was when he got to see the Grand Canyon. Steve enjoyed his career as a Journeyman Welder and Heavy Duty Mechanic and was very good at it. He had always hoped to go back to work.

Steve enjoyed spending hours on end working on projects in his garage with family and friends, he was always willing to lend a hand at the drop of a hat. He always had a positive attitude even when not feeling his best and could find humour in the toughest times. We are going to miss those smiling eyes and that laugh!

Steve loved anything to do with the outdoors. He grew up learning how to trap, hunt, and fish from his Dad, brothers and uncles. He learned how to be a survivor, which showed through his strength and courage during his illness.

We want to give a special thanks to the UofA hospital ICU team that gave Steve such great care in his final hours. We also want to give a heartfelt thankyou to unit 3G2 and 5B1 for the years of caring for Steve like he was family.

Steve left this world surrounded by family. A celebration of life will happen at a later date. Cremation has taken place. These were Steve's final wishes.

About a year had passed since my amicable divorce, and I decided it was time to start dating again. Unsure how to begin, I thought I'd scan the personals column of my local newspaper. I came across three men who seemed like they'd be promising candidates. A couple of days later, I was checking my messages and discovered one from my ex-husband. "I was over visiting the kids yesterday," he said. "While I was there I happened to notice you had circled some ads in the paper. Don't bother calling the guy in the second column. I can tell you right now it won't work out. That guy is me."
