JACKFISH COMMUNITY MEETS WITH BC HYDRO

BC Hydro held a meeting at the Jackfish Community Centre to discuss some issues surrounding Jackfish Road on May 18, hoping to provide an outlet for inquiries held by the local community. Among the topics discussed were the hauling of rocks from Chetwynd to the Site C dam. People had expressed concerns that hauling the rocks by truck would lead to constant traffic along the road but were told that the rocks will be hauled from Pine Pass by train to a spot where the rock can be unloaded by heavy equipment for use in constructing the dam. Many people raised concerns about the condition of Jackfish Lake Road, particularly with the increased traffic it now sees. BC Hydro said they will monitor the road but at this time they will not be doing any upgrades due to the fact that the rock will not be hauled along the road. They said the cost to upgrade the road is not worth the investment given that the rock will be hauled by train.

Regarding the use of trains to haul the rock, the question was raised as to whether BC Hydro has a contingency plan in place given the history of CN Rail having to deal with shutdowns due to job action. The representative said that no one had ever raised this issue before and would be looking into it. Additionally, people wondered about the prospect of increased wait times at all of Chetwynd's rail crossings, which already can stop traffic for up to 30 minutes at times. Questions about hiring local workers rather than people from Alberta were answered through referrals to the interprovincial agreement held between B.C., Alberta and Saskatchewan that allows a free flow of workers, goods and services. Workers are hired based first on skills and then other considerations such as locality are looked at.

Other suggestions from the crowd included clearing the vegetation in the ditches, especially around corners as well as fixing the highway shoulders so there isn't as much of a drop from the asphalt to the gravel. Another person recommended more signage on the road to improve awareness of conditions and increase safety. Residents were also displeased that large trucks have driven down their side roads and are only able to turn around in their yards, resulting in damage to their yards and driveways. Others requested better maintenance on the highway, on the areas further out where the road is gravel and there has not been any dust reduction chemicals or water applied, which has resulted in hazardous driving conditions. Although the representative was not able to confirm that any of these measures would be taken, they said the concerns would be passed along to the higher-ups at BC Hydro, which did not appear to satisfy any of the assembled crowd.

LOAD RESTRICTIONS 2016

The District of Chetwynd wishes to notify the public that the following load restrictions will be in effect immediately.

100% Legal Axle Loading is permitted:

- North Access Road (business area)
- South Access Road (business area)
- Nicholson Road
- Industrial Park

All other Municipal streets and roads are restricted to 70% of Legal Axle Loading.

The District thanks you for your cooperation in their efforts to minimize the damage to our streets and roads during this spring thaw.

We would like to thank the community of Chetwynd for the overwhelming support over the past month. Your thoughts and prayers have been greatly appreciated during this difficult time.

Cody is now in stable condition, but has a very long road ahead of him as he works his way towards recovery at the Royal Alexander Hospital in Edmonton. Your generous donations through GoFundMe and the trust account at the Lake View Credit Union have been instrumental in allowing us to travel back and forth to Edmonton to be with Cody. We are so proud to belong to a community that pulls together and rallies around each other in a crisis.

From the bottom of our hearts, thank you!

NEW INFORMATION GRANDE PRAIRIE HOME HARDWARE ASSAULT

New information has come to light about the man charged with the second-degree murder of an Abbotsford man in a Grande Prairie parking lot on May 14th.

30 year-old Micheal Ginter was charged with second-degree murder after allegedly side-swiping another vehicle with 34 year-old Nikkolas Steenhuisen on his vehicle's running board. Steenhuisen was attempting to apprehend Ginter after spotting Ginter inside of his truck when he exited the Grande Prairie Home Hardware, and later died of injuries he sustained in the collision.

Cst. Michelle Mosher with the Grande Prairie RCMP confirmed that Ginter was also one of two men convicted of a \$200,000 crime spree back in April of last year. Ginter was sentenced in November 2015 for a break and enter, and possession of stolen property after being caught passed out behind the wheel of a stolen vehicle on April 2nd, 2015. At the time of arrest both Ginter and his co-accused, then 33 year-old Joseph Semple, appeared to be under the influence of methamphetamine, according to RCMP Sgt. Ed Reinink with the Dawson Creek detachment. Ginter was sentenced to 360 days and given credit for 314 days served awaiting trial.

COPPER THEFT – KELLY LAKE

Dawson Creek RCMP are seeking the public's assistance in identifying the following person of interest in copper wire thefts from oil and gas well sites in the Kelly Lake area.

On May 15th, a vehicle entered a well site and a quantity of copper wire was stolen from the site. On site camera's captured the following vehicle entering the well site.

The vehicle is believed to be a burgundy Chev/GM Z71 extended cab with a dry box in the truck bed. Please note that all four of the vehicle hub caps are missing from the vehicle.

Anyone with information is asked to contact Dawson Creek RCMP or if you wish to remain anonymous please contact crimestoppers at 1-800-222-8477.

BIG NEWS OUT OF JUNIOR CANUCKS' AGM

The Dawson Creek Junior Canucks held their annual general meeting Thursday, May 19. As with many in the Peace Region the Junior Canucks had on and off ice obstacles through the 2015-16 season but thanks to a dedicated board of directors were able to overcome, and are gearing up for next season.

General manager Ashley Rude let those in attendance know that scouting and recruitment is ahead of last year. The team is also looking into strategies to keep more local players in Dawson Creek. The coaching staff will also be returning in full capacity, with Gene Cooper at the helm as head coach.

The biggest news to come out of the meeting is that Dawson Creek Junior Canucks President Neil Shuman will be stepping down after 10 years at the position and 13 years on the board. A new president has not been announced, but Vice President Rob Huttema will be taking over many of the duties until a new president is put in place.

High Level Alberta has also shown interest in joining the North West Junior Hockey League, but whether or not that will become a reality is speculative at this point.

HOROSCOPE

ARIES (Mar. 21- April 20) Think twice before you speak. New friendships will develop through group events. Don't spend too much on products that promise amazing cosmetic results. Don't gamble unless you can afford to lose. Your lucky day this week will be Thursday.

TAURUS (Apr. 21- May 21) Don't make large purchases or investments. Avoid conflicts with in-laws or other family members. Make plans to do the things you enjoy. Equilibrium in your romantic life is likely if you treat your partner well. Your lucky day this week will be Friday.

GEMINI (May 22-June 21) Try not to allow superiors or those in a higher position to take advantage of you. Your willingness to help others can and will lead to fatigue if you don't learn to say no. Insincere gestures of friendliness are likely to occur. Get friends to help you with the preparations. Your lucky day this week will be Saturday.

CANCER (June 22-July 22) You are best not to confide in anyone right now. Your ability to deal with others will help you in getting the support you need. Joint ventures might prove to be unfavorable. You can ask for favors or run your ideas by those who will be able to support your objectives. Your lucky day this week will be Wednesday.

LEO (July 23-Aug 22) You will have a problem holding on to your cash this week. Do your job and don't ask for favors. Your mate, however, may not be too pleased with you. Get down to business. You will benefit through hidden assets and property investments. Your lucky day this week will be Friday.

VIRGO (Aug. 23 -Sept. 23) Shopping could cost more than you bargained for. Don't let individuals with wild schemes talk you into a financial deal that is not likely to be successful. Look into family outings or projects. Take some time to change your house around. Your lucky day this week will be Friday.

LIBRA (Sept. 24 -Oct. 23) Dig deep to find out how costly a new venture will be before you sign on the dotted line. Don't overload your plate. Do not blow situations out of proportion. Don't overspend on children or on large purchases. Your lucky day this week will be Tuesday.

SCORPIO (Oct. 24 - Nov. 22) If you're uncertain of your feelings, keep your opinions to yourself. Try to keep an open mind. Sports, physical fitness programs, exercise in general will make you feel better and show some pretty quick results. You need to take a long, hard look at yourself and your personal situation. Your lucky day this week will be Friday.

SAGITTARIUS (Nov. 23 -Dec. 21) Your energy will be high; however, if not channelled suitably, temper tantrums may erupt. You need to be careful not to make promises that you can't fulfill. Try to understand both sides of the issue before taking sides. You will have to watch out for minor health problems related to stress. Your lucky day this week will be Wednesday.

CAPRICORN (Dec 22.- Jan. 20) You can find out interesting information if you get a chance to talk to people you respect. You are able to make changes in your home that will be favorable to all involved. You must not let others talk you into doing things that will probably limit you financially at a later date. Elders may get you going this week. Your lucky day this week will be Tuesday.

AQUARIUS (Jan. 21 -Feb. 19) Be precise in your communications to avoid any misunderstandings and arguments. You are best to keep hard feelings to yourself. Your determination and stamina will make your work look flaw less and effortless. Someone you work with could try to undermine you. Your lucky day this week will be Friday.

PISCES (Feb. 20-Mar. 20) Think before you act. Partners may try to argue with you; however, you must stand your ground. You mustn't be so trusting. You may overspend if you travel this week; however, the trip will be one to remember. Your lucky day this week will be Saturday.
