## WATCH FOR DEER: RUTTING SEASON IS HERE

Drivers are advised to be watchful of deer, elk and moose while travelling along roads and highways throughout B.C., as rutting season increases these animals' activity.

Rutting season is the annual mating time for deer, elk and moose. It occurs from late October to December, with the most activity seen in mid-November. During the rut, male deer show increased interest in female deer, as well as increased aggression toward other male deer, often causing animals to move quickly with little regard for their surroundings.

As this season poses an increased risk for deer-vehicle collisions, travellers on B.C. highways are reminded to pay extra attention, especially when driving at dusk, dawn and night hours when these animals are most active.

### Tips for avoiding deer-vehicle collisions:

- Be vigilant when driving at peak hours when deer are most active: dawn and dusk. If you see one deer, watch for others, as these animals seldom travel alone.
- Be alert near wooded areas or green spaces, such as tree lines, parks and golf courses, and near water sources, such as lakes, ponds and streams.
- Watch for deer/elk crossing signs and flashing wildlife-warning signs, such as the ones recently installed on Highway 18 in Vancouver Island's Cowichan Valley. These signs are placed in areas with high numbers of reported deer-vehicle incidents. Heed these warnings and adjust travelling speed accordingly.
- Keep your vehicle in good shape – make sure headlights, windshields and wipers are clean and in working condition.
- Use high beams at night when there are no oncoming vehicles to scan the road ahead. Honk your horn with one long blast to frighten animals away from your vehicle.

### Helping the Gold Stay

Robert Frost's classic poem, "Nothing Gold Can Stay," is an attention grabber, not just to the cyclical history of life on this planet, but of our individual lives. The sudden onset of winter this month may leave some of us with a desire to hold onto the gold—the pleasant, but challenging, memories of summer 2020. We felt the threat of disease when we stepped outside our houses, yet we also experienced, in a deeper measure, the self-sacrificing spirit so prevalent in our community—as cherished as some of Earth's most precious gold.

If you are one of those who fight depression as winter squeezes tighter, I challenge you to hold onto the gold, the warm memories to help tide you over the darker days. But don't neglect to reach out: find support, and be supportive. As you swallow that extra dose of vitamin D3 with vitamin K2 in the morning, consider volunteering your talents. As you sip a steaming spoonful of home-made vegetable soup, think about planting some vegetables among the flowers around your house next year. Searching through seed catalogues and contemplating next summer's blossoms gives you something beautiful to anticipate and helps you hold onto that summer gold.

Purchase a mini-journal and list at least one happy thought each evening before climbing into bed—on time! A schedule is a great defense against illness and depression. Reward your successes with a healthy indulgence—a hot bath, a favourite breakfast, a walk in nature, a call to a sibling or friend. Reaching out is healthy, and health is gold!

## Winter Parking on District Roads Information Everyone Should Know

The Streets and Traffic Regulation Bylaw # 909, 2009 section 5.13: Obstruction of Motor Vehicles  
No vehicle shall be left standing or parked:

- (i) in violation of this bylaw;
- (ii) in a position that causes it to interfere with firefighting;
- (iii) in a position that causes to interfere with the normal flow of traffic on a highway; or

(iv) in a position that causes it to interfere with the construction, improvement, maintenance, alterations, extension, widening, marking, or repair of or snow removal from a highway.

Winter is almost upon us and with it comes heavy snow falls. The District of Chetwynd is committed to keeping all our roads safe for all citizens and therefore any vehicles parked in a manner that interferes with effective snow removal will be removed without notice.

A full list of the District of Chetwynd Bylaws can be found on our website at [www.gochetwynd.com](http://www.gochetwynd.com) under the heading Municipal Office/Bylaws and follow the link. For further information regarding this or other Bylaw related questions please call Bylaw Enforcement at 250-401-4119

# You know what's **BETTER** than a cup of coffee?

A cup of coffee  
**WITH A PUZZLE**

A RIDDLE,  
to be  
specific!

## HERE'S THE DEAL:

- In every issue until December 18 (that's 10 issues total), there will be a riddle for you to solve.
- Each correctly solved riddle will earn you an entry into a prize.
- Deadline for riddle answers is December 23rd. 1 entry per person per riddle.

## BUT WAIT - THERE'S MORE!

- **BONUS RIDDLE:** Within each of the 10 issues, there will be one hidden word somewhere in the paper (it is not within this ad). Assemble the hidden words from all 10 papers, solve the riddle they spell out, and earn an entry into a bonus draw!

### CONTEST IS OPEN TO ALL AGES!

Confused? Call the Coffee Talk Express Advertising Department at 250-788-3422

That's right, the Coffee Talk Express/Pencil Box is doing another contest!

## RIDDLE #1:

What has rivers with no water, forests but no trees and cities with no buildings?

---> Drop your solutions off in person to the Pencil Box in Chetwynd at 4753 51st St <---

### LOOKING FOR ADOPTED PUPPY FAMILY

Hello Chetwynd! We are looking for the people who had husky/Akita puppies in April 2009. We got a 5 week old male from you and we love him dearly, and if possible, we would like to adopt another puppy from his family! This family was located about 8 miles towards Tumbler Ridge in a green house on the left hand side hill. If anyone can put us in contact with these people it would be greatly appreciated.
