WHAT IS YOUR PATIO-PARTY PERSONALITY?

(NC) Long, sunny, summer days and warm sultry nights are why Canadians love their patios. It is the perfect place for a casual get together with family or an elegant evening with friends. Even better, it is also easy to create a perfect patio-party space, one that reflects your personality as well as the way you want to entertain.

Begin by considering how you want to spend your outdoor patio time. Do you like cooking there, entertaining, or simply kicking back? Then pick one of the top three trends to build your personalized patio-party:

1. Transitional. If you mix up your *al fresco* fun with casual and more formal entertaining, then patio sets that combine traditional and contemporary accents to create a modern and versatile feel are the perfect choice. Transitional sets come in a variety of materials including aluminum, fabric, and wood. Hot this year is aluminum, with a no-rusting guarantee for those who like to leave furniture outdoors for the season. When it comes to fabrics, look for materials that can easily be washed and are able to withstand the wear and tear of summer weather.

2. Over-sized. Is your favourite seat in the house a big comfy overstuffed chair? Then you will love this season's over-sized patio sets. Comfy and classic pieces, including large couches, deep seating and bistro sets are a popular buy. For bigger yards, large sets that encourage conversation and lounging are perfect for long summer days that last into the night. Traditional, more formal dining sets are easing into more plush patio sets. Cushions in on-trend geometric patterns or stripes are a great way to accessorize to give your patio more personality. For smaller spaces, oversized bistro sets can be easily moved around to accommodate your space and storage options.

3. Customizable. Your patio is an extension of your home – and it's easy, says Sears Canada, to customize your patio to match your lifestyle. Mix and match a wide variety of colours and patterns with multiple sectionals to create your special summer space.

With your perfect patio in place, just kick back in the sunshine and let the lemonade flow.

STOLEN GOODS RECOVERED IN PEACE REGION CRIME SPREE

The RCMP in Dawson Creek released this photo showing the goods that were stolen during the crime spree that ended on April 1.

Michael Ginter, 29, and Joseph Semple, 33, have been charged with more than 50 counts of possession of stolen property in connection with a string of thefts in the Peace Region. They were found passed out behind the wheel of two separate stolen vehicles in different locations in Dawson Creek

Police have estimated that over \$200,000 in goods were recovered. It has taken days for the local detachment to process all of the stolen items.

Crown prosecutors are recommending 48 charges against the two men who are both from Grande Prairie.

Sgt. Ed Reinink of the Dawson Creek RCMP said that more charges are expected as more and more items are processed.
