THE NEWF IS OFF THE ROOF

On Saturday, January 13th, Derek Pickford of Surerus Murphy or as many now know him as, the Newf on the Roof, has reached his goal of \$25,000.

Derek spent the coldest nights of the year in a tent on the roof of Peace FM's radio station in order to raise \$25,000 for Chetwynd charities and The Make A Wish Foundation. Last week, while temperatures dipped as low as -39 degrees, you could see Derek standing on Peace FM's roof waving to passersby. I asked people around town what they thought of "The Newf on the Roof" and the main consensus was that he was "Crazy.... but for a good cause!"

Derek was on the roof approximately 96 hours in which time he not only reached his goal, he exceeded it! On Saturday, when Derek finally descended from the roof he told Peace FM's listeners that they had collected just over \$30,000.

With the amount of charitable donations Chetwynd has seen in the last few months having been handed out to several groups, clubs and organizations, it's no doubt that the residents of Chetwynd won't hesitate to welcome Surerus Murphy to our town again in the future.

With the \$30,000 collected, \$7,500 will go towards The Make-A-Wish Foundation, and \$22,500 will go towards local Chetwynd charities.

Derek is in charge of Public Relations for Surerus Murphy, and many believe he has really put the pipeline company in a great light in the eyes of Chetwynd residents. Being that Derek isn't even a Chetwynd resident and has put such emphasis on helping out our town, it really goes to show what can happen when determined people come together for a cause.

Thank you Derek and to everyone who brought him food and drinks, as well as to everyone who donated money to

Kelsey Roberts, reporter Coffee Talk Express

Teacher: "If I gave you 2 cats and another 2 cats and another 2, how many would you have?"

Johnny: "Seven."

Teacher: "No, listen carefully... If I gave you two cats, and another two cats and another two, how many would you have?"

Johnny: "Seven."

Teacher: "Let me put it to you differently. If I gave you two apples, and another two apples and another two, how many would you have?"

Johnny: "Six."

Teacher: "Good. Now if I gave you two cats, and another two cats and another two, how many would you have?"

Johnny: "Seven!"

Teacher: "Johnny, where in the heck do you get seven from?!"

Johnny: "Because I've already got a cat!"

CHETWYND COUNCIL MEETING

The District of Chetwynd held their first council meeting of 2018 this past Wednesday, January 10th. All Council members and the Mayor were in attendance.

The meeting began with a letter from School District No. 59 asking that Council provide a written response to the proposed change to School District No. 59's Electoral Areas IV and V. Council made the decision to advise School District No. 59 that it has no objection to amalgamating Electoral Areas IV and V.

The next item on the agenda was a letter from PRRD Director Dan Rose asking that Mayor and Council commit to helping pay for the Chetwynd Public Library's Feasibility Study's Phase 2 should the referendum for a new library fail. The referendum will be after the second phase of the feasibility study is completed and during the 2018 local government elections.

Phase 2 will build on the information collected in the initial study and will engage the services of a firm to develop a design, engineer and give the cost estimated for an 8000 sqft, library attached to the Rec Centre. The estimated cost for Phase 2 of the study will come in at \$225,000. Should the project proceed, that cost will be sucked up in the library's construction costs, but if the referendum fails, the \$225,000 will be left to be paid by the PRRD, unless the District of Chetwynd agrees to sharing the cost at a total of \$112,500.

The motion to commit \$112,500 for the phase 2 of the study failed, as Council believes more information is needed before making that decision. This will hopefully lead to a sooner referendum giving residents some numbers on raised taxes with the estimated costs already supplied from the first phase of the study, before the next phase of the study begins.

The next letter was asking that all council attend the workshop for cannabis related businesses in Fort St. John on January 26th. Council agreed to attend the workshop.

An email was received regarding the Northern Medical Programs Trust through UNBC to assist student Drs with the costs of medical programs. The District of Chetwynd agreed to pledge \$82,040, but actually exceeded its original amount and pledged \$89,077 to the trust.

Councillor Clay Bassendowski sent an email to administration to help bring up the topic of the programs at Northern Lights College. Council made the decision to request a meeting with NLC to discuss the options of offering more programs in town such as early childcare and trucking.

Chetwynd Fire Department has received a new training playbook and are hoping to have all their members trained as full service fire fighters able to combat indoor and outdoor fires. They are asking that the District of Chetwynd assist them with record keeping for their training, and Council agreed.

Deanne Ennis was appointed Chief Election Officer for conducting the 2018 general local elections and assent voting. Lenora Wilfur was appointed Deputy Chief Election Officer for the 2018 general local election.

Last on the agenda was the recommendation that the Trustee of an unsafe structure located on 49th ave (the old laundromat) be notified of Council's intention of making a decision on what's to be done with the property at February's first council meeting on the 5th. There were several attempts to contact the trustee about remedy or removal of the building without success. It is now attracting vagrants and action is required. The property is up for sale, and if it's sold by that date, it will be up to the new owners to fix or remove the structure.
