DAWSON CREEK BREAK AND ENTER

On July 9, 2016 at around 00:36 a.m. the suspect cut the gate lock at 301 115th Ave Dawson Creek BC and entered the property. The property video surveillance system captured the suspect on camera.

On the surveillance video at approximately 01:02 a.m., the suspect is seen backing a suspected stolen white Ford F-250 long box pick up with suicide style doors on it into the compound. The suspect appears to be wearing gloves, a BB cap, and a dark colored long sleeve sweat shirt with a large distinctive pattern on the front of it. The suspect may have a face covering or has a couple weeks growth of a full beard.

It is believed the suspected thief made off with a Honda 3000 generator (estimate value of \$2300) and 5 jerry cans.

If you know who this suspected thief is please contact the Dawson Creek RCMP at 250-784-3700 or contact Crimestoppers at 1-800-222-7488 (tips).

FORT ST JOHN RCMP LOOKING FOR HELP LOCATING TYLER JAMES ARMSTRONG

Fort St. John RCMP are asking for help in locating 22 year-old Tyler James Armstrong. Tyler is a Caucasian male, 5'9, 155 pounds, brown hair and hazel eyes, according to police. As of July 11th of this year, Armstrong has 3 outstanding warrants for his arrest from Fort St. John RCMP.

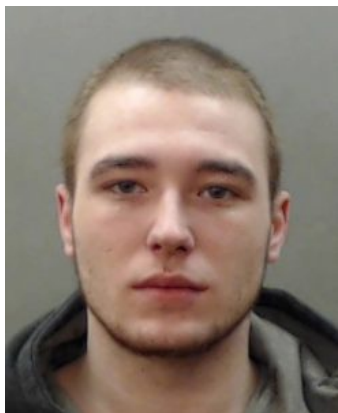

He faces the following charges:

- Charges of Assault · Uttering Threats
- Theft Under \$5000 · Mischief and Trespassing

Police believe Armstrong could be in the Fort St. John area but are not exactly sure of his whereabouts.

Anyone who may have seen Armstrong or knows of his whereabouts is asked to contact the Fort St. John RCMP at 250-787-8100. If you wish to remain anonymous call Crime Stoppers at 1-800-222-8477. A cash reward of up to \$2000.00 could be paid for any information which leads to an arrest and charge.

KELSEY'S CHRONICLE

It is becoming more apparent every year how climate change and global warming combined with infrastructure projects are negatively affecting the world around us. We've seen first hand how flash floods can cause drastic land changes.

With many regions' crop production expected to decrease due to these changes, the Peace Region is expected to fair pretty well. Here in the Peace River Valley there is a great amount of exceptional agricultural land. Approximately 10% of the region is classified as premium Class 1 agricultural land, accounting for the majority of Class 1 land in Northern BC. Combine this with the expected warmer temperatures, the valley's productivity and the likelihood that the variety of crops possible will increase, we have the potential to enlarge BC's food production.

The Peace River Valley has incredible bio-diversity, with over 300 wildlife species and 400 vascular plant species, as well as a large number of rare species and ecosystems, many of which are threatened or endangered. As a major habitat corridor, the Peace Region's role is to balance the diverse ecosystems with the growing population.

As undeniable as climate change is, changes have been happening to the earth for millions of years. There are ways that we can help slow the process: Be energy efficient, choose renewable power, green your commute and get informed.

MEET THE MAYOR

July 13, 2016

If you are anything like me, you will be taking some things, probably many things, for granted. Someone else does the job; someone else is responsible. Assuming that when I want to use the service it will be there and waiting for me, I'll spend my energies elsewhere. Really, what else can I do, limited as I am by humanity – in fact, by aging humanity.

But taking for granted is not necessarily a bad attitude; rather, it assumes that those responsible know what they are doing, how to do it, and have the resources to accomplish the task. We give them respect with those assumptions.

Within the District of Chetwynd we enjoy a multitude of services that make our lives easier and more enjoyable, which we use from time to time, and to which we give not a second thought unless our schedule is interrupted. I would like to acknowledge again the people who work in one of these services, whose efforts we normally do take for granted, and whose work does indeed make our community a better place.

During the winter months the staff at the Chetwynd and District Recreation Centre is kept busy with ice skating, hockey, figure skating, swimming, fitness programs, hall and room rental set ups, ghoulish affair planning, and other events. How long would you take the staff for granted if one or more of these activities dropped from the register?

But winter's over – happily! With summer here and our interests already shifted to warm-weather events and activities in the great outdoors, how can the staff retain its productivity?

They tell me it's not that hard to keep productively busy. When the ice comes out of the arena, facilities staff turns its attention to other events: gymnastics, British soccer camp, drama camp, science camp, volleyball camp, and swimming lessons. Easter eggstravaganza, Canada Day activities, and the trade fair take time and much energy. This year saw the first annual Chetwynd Chainsaw Carving half marathon with 24 participants; it was a running success; why not start training for 2017 (already).

Maintenance staff have commenced pool servicing and the annual maintenance routine that has to be completed in the short summer season. This year this maintenance will include bleacher and dressing room painting, floor refinishing, window washing, mechanical servicing of heating systems, and fire alarm and sprinkler testing.

Throughout the year, pre-planning is done for summer capital work. Last year, among other major improvements, new sound dampening baffles were installed in the pool. This year, the annual shut down of the pool in August will provide opportunity for pool deck gutter and deck tile repair as well as replacement of pool filter baffles. In addition, filter pump base and piping repairs must be completed.

The Rec Centre is also in the planning process to replace in 2017 its aging arena floor and the ammonia chiller and condenser tower for the refrigeration plant. (Typical lifetime of a chiller is approximately 20 years.) Management has applied for the Canada 150 Grant to assist with the project cost.

Planning is also underway to develop conceptual ideas for the rear exterior property of the Recreation Centre.

Your satisfaction and safety while using the Recreation Centre is of prime importance to Management and Staff.

Anyone taking these folks for granted?

*Coffee Talk Express is looking for **Community Heroes**

Here in Chetwynd, we have a lot of amazing people to celebrate. From fantastic youth leaders and helpful neighbours, to coaches, teachers, councillors, and many more people that make our community a better place. Throughout the summer I intend to expose these people for what they really are... "Heroes of Chetwynd."

Quite often people associate heroes as professional athletes or celebrities. In reality, heroes live among us performing small acts that win our admiration. A hero can be described in many words: compassionate, selfless, caring and thoughtful are just a few that come to mind.

I'm looking for people I can feature in our paper.

- the person who shovelled your driveway.
- someone who brings you soup when you're sick.
- someone who visits the elderly.
- a person whose smile brightens your day.
- or an entire staff at a local business.

I need your help to shine the spotlight on the wonderful folks that make our town such a great place to live. Email short stories, a few paragraphs or give me a call. This special someone who is worthy of recognition will be featured in our paper. Be sure to let me know so they can get what's coming to them... a big thank you for making Chetwynd a better place to live.

THANK YOU

Napa/Traction Chetwynd would like to express a huge thank you to all the people who came out to make our grand opening such a great success!

A very special thank you to Russ Young, Northern Industrial, Tim Horton's, and our staff. Without their dedication this would not have been possible.

Also a thank you to all of the sponsors who came out to make this event informative for our customers: Napa, Traction, Grote, Marathon, Firestone, Trico Wipers & Pacific Truck.
