## CHETWYND HOSPITAL CALLS FOR DIVERSION THIS PAST WEEKEND

This past weekend, many Chetwynd residents felt rather uneasy to know that emergency services were not available at our hospital.

For approximately 24 hours between noon Saturday, January 6th through noon Sunday, January 7th, the Chetwynd General Hospital had to divert patients from its Emergency Room to other medical sites.

The "inpatient unit" was full at five admitted patients, another four patients had been admitted into the Emergency Ward and at the time of the diversion, the BC Ambulance arrived at the hospital with another two patients.

Although additional staff were called in, the eleven admitted patients met the capacity and there was insufficient space to treat more patients.

Winter is generally a busy time of year for hospitals, with January being peak season for viruses, but this past month, Chetwynd General Hospital has been at or exceeding term census of 5 admitted patients at all times.

I spoke with Peter Martin, Chetwynd Hospital's Site Manager, who said the diversion is only decided upon in dire situations and to ensure that a highest quality of patient care is maintained.

During the time of the diversion, 911 was still fully operational and patients would have been taken by BC Ambulance to either Fort St. John or Dawson Creek in the event of an emergency.

# Get the Newf off the Roof

This week, there will be a new resident living on top of Peace Fm, that is until he can raise \$25,000. Derek Pickford, Public Relations for Surerus-Murphy spoke with Leo Sabulsky and is popping a tent on top of the radio station in the hopes of quickly raising \$25,000. The weather this week is staying in the minuses and Derek will have nothing but his whustas and roll neck sweater to keep him warm. (Newfie for wool socks and turtleneck)

This isn't the first time Derek has gotten on a roof to raise money for a good cause. Ten years ago in Edmonton, Derek helped out a friend's daughter who had cancer by living on a roof in his first "Get the Newf off the roof" campaign.

For the next few days, Mr. Pickford won't even be coming down to use a rest room, as he's equipped with a 5 gallon pale. He's hoping friends

and the community will stop by with cash donations and maybe even the odd hot chocolate.

Once he has reached his goal of \$25,000 he will come down from Peace Fm's roof. The plan is to donate \$5000 to Make-A-Wish foundation and the other \$20,000 will go towards local Chetwynd charities.

This community always comes together to help one another so lets show Surerus-Murphy how dedicated we are to our community and help Derek reach his goal. Stop by Peace FM with donations to help get the Newf off the roof.

## FUR-BEARERS ORGANIZATION APPEALING RULING BY B.C. SUPREME COURT

In an update on a previous story, the Association for the Protection of Fur-Bearing Animals plans to appeal the decision made by the B.C. Supreme Court that a Conservation Officer's authority to kill extends beyond what is stated in the Wildlife Act.

The ruling was made in December after the non-profit sued B.C. Conservation Officer Micah Kneller for euthanizing a black bear cub near Dawson Creek in May 2016.

The appeal was filed last Wednesday. *Courtesy of Peace FM*

## PUBLIC NOTICE

# Wyndwood Project Pipe Hauling Will Be Taking Place in Your Area

**Please be advised that Enbridge will be using a laydown yard west of the airport in Chetwynd to temporarily store and stage sections of pipeline that will be used in a nearby natural gas pipeline project.**

The sections of pipe will begin to be transported to the laydown yard for storage in October 2017 with hauling to and from the yard continuing until February 2018. The hauling will occur from 7 a.m. to 5 p.m.

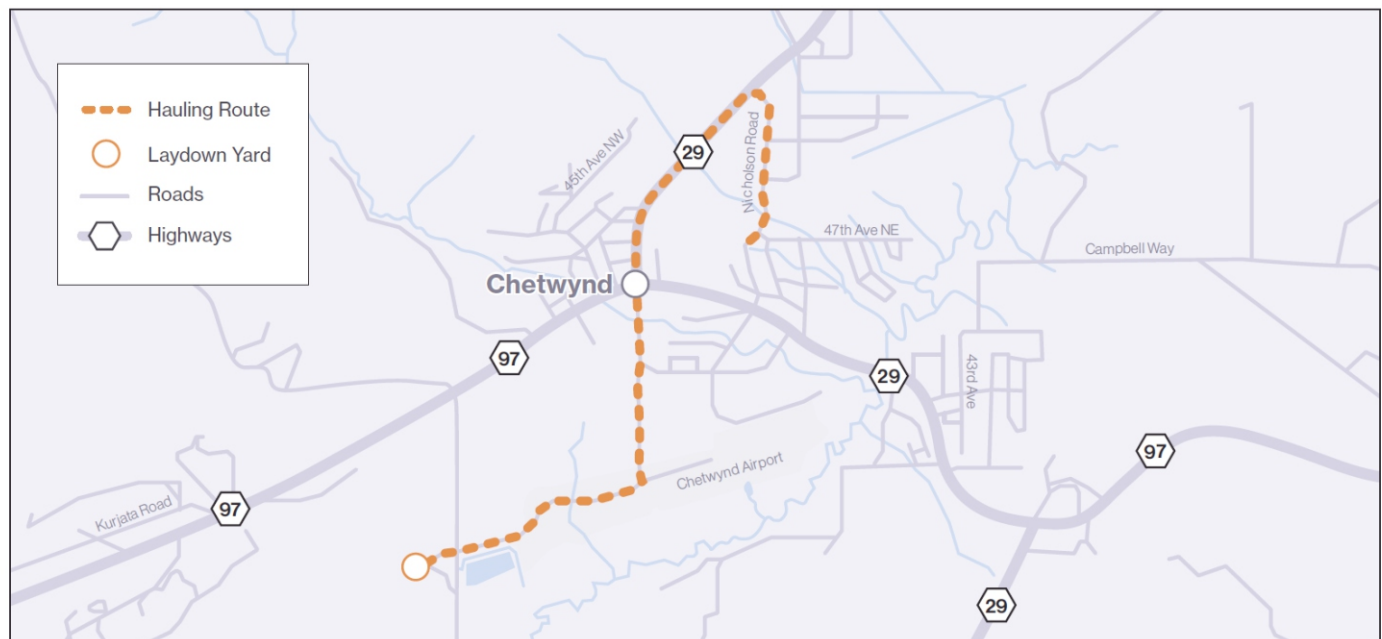

In addition, sections of pipe will be leaving the laydown yard to a nearby construction site. This activity may continue into the first half of 2018.

As a result of this hauling activity, residents can expect increased traffic, which will include large, slow moving vehicles resulting in potential traffic delays.

At Enbridge safety remains our number one priority. We apologize for any disruptions this activity will cause and will be implementing a traffic management plan. This may include the use of signage and other methods to minimize disruptions.

If you have any additional questions or concerns, do not hesitate to contact the following representative:
