HELP FOR THE HOLIDAYS SURPASSES FUNDRAISING GOAL FOR REGIONAL FOOD BANKS

LVCU Foundation's matching campaign raised almost \$24,000 for regional food banks

Peace River Region, BC – Lake View Credit Union is pleased to announce that the Lake View Credit Union Foundation's December fundraising campaign 'Help for the Holidays' exceeded expectations and has raised \$23,821 for the benefit of regional food banks that serve those in need.

The board and staff were overjoyed by the positive response from throughout the region, to the extent that they upped their initial matching contribution from \$10,000 to \$12,500 once it became clear that community members donations were going to outpace the original commitment.

"We're delighted with the results of the campaign and that we are able to help support such worthy originations." Remarked LVCU CEO, Lori Archibald. She continued, "And we have so much gratitude to those throughout the community that donated and made the most of our matching donation commitment. I hope they appreciate the difference their generosity makes in the lives of their neighbors and this community."

Board Chair John Kurjata was similarly pleased, stating "Upping Lake View's matching donation commitment halfway through the campaign was a great problem to have and we truly appreciate all those who donated to help make this happen, along with our members, whose continuing confidence and patronage make initiatives like this possible."

The proceeds will be split between the following beneficiaries:

- Networks Ministries • Dawson Creek Salvation Army • St. Mark's Food Bank
- Tansi Friendship Centre in Chetwynd
- Tumbler Ridge Food Bank • Pouce Coupe Food Bank

MAYOR'S COLUMN

I will cherish the day when we can gather and enjoy a handshake, an embrace, sing and dance together, and once more express our friendship and love for one another face to face with a heartfelt hug.

2020 has been a year of uncertainty and we all made enormous sacrifices. It has been painfully hard for some, not being able to hug & hold close family members, so that we may protect them and ourselves from the mortal enemy Covid-19.

However with the dawn of a New Year and the emergence of vaccine/vaccines, this coming year is showing promise. Being optimistic that we might be getting back to some kind of normal is a welcome thought, maybe a real, real, real awesome thought.

I would like to thank the doctors, nurses and the technicians for their perseverance in this crisis; a standing ovation goes out to every one of you.

And please let us not forget the unheralded work of all the people upon whom we rely on to bring us the staples of life, those who quietly go about their daily task without fanfare or acknowledgement, such as the transportation division of our society, the ones that bring us the means of survival (food, petroleum, etc.). Thanks also to our post office workers who were invaluable during Christmas, even though I didn't receive all that I had ordered on time, but forgiveness is mine to give! Thank you for your diligence, for your hard work; here is a virtual hug, a face time kiss.

Take care, wash your hands and wear your MASK.

Yours truly, Mayor Allen Courtoreille

One rainy morning, my mother went for her daily run. As she returned to the house, she slipped and fell, hitting her head on the driveway. I called the paramedics. When they arrived, they asked my mom some questions to determine her coherency. "What is today?" inquired one man. Without hesitation, Mom replied, "Trash day."

My wife, a real estate agent, wrote an ad for a house she was listing. The house had a second-floor suite that could be accessed using a lift chair that slid along the staircase. Quickly describing this feature, she inadvertently made it sound even more attractive: "Mother-in-law suite comes with an electric chair."
