CHETWYND'S INTERNATIONAL CHAINSAW CARVING COMPETITION 2017

Chetwynd's 12th International Chainsaw Carving Competition Kicks off tomorrow, with 12 Carvers taking to the chainsaws for their shot at Chetwynd's "Carver King Crown" for 2017. Carvers will have 35 hours over 4 days, to complete a carving of their choice. In those 4 long days, the carvers will take an 8ft. tall chunk of beautiful cedar and create a magnificent carved sculpture, in view of thousands of spectators. Competitors will get a chance to draw numbers for logs tonight at the Chainsaw Carver's Reception, by invitation only. The Chetwynd Chainsaw Carving Competition has come a long way from its first year in 2005, where they hosted 7 carvers from B.C. and the U.S. After gaining international status, people now travel from all over the world to compete, and also just to watch the exciting competition.

Introducing the 2017 Carving Competitors:

Jeff Samudosky, *United States*
 Lorraine Butterill, *United Kingdom*
 Mike Winia, *Canada*

A petshop owner had a parrot with a sign on its cage that said "Parrot repeats everything it hears".

Davey bought the parrot and for two weeks he spoke to it and it didn't say a word. He returned the parrot but the shopkeeper said he never lied about the parrot. How

can this be? The parrot was deaf.
