JOB FAIR

The smell of opportunity was in the air at last Thursday's Job Fair, held at the NLC campus. Chetwynd Chamber of Commerce partnered with Northern Lights College and Work BC to bring together employers from all over the region.

Besides the numerous job openings themselves at Peace River Hydro partners, Conuma Coal, Canfor, West Fraser and Surerus Murphy, there were also several resources to get you into the workforce. Work BC had pamphlets with resume tips and tricks, and Obair Economic Society was there showcasing their job readiness training for unemployed workers. ITA (Industry Training Authority) was also there advertising over 100 trade occupation programs. Northern Lights College had information on all of their courses, and the District of Chetwynd had every other listing for job openings throughout Chetwynd.

If you're unemployed, this was the place to be, but just in case you missed it, Work BC Employment Services Centre is always available to help - located on 50th Ave beside Scotia Bank.

DR. ALAN CHAN OF CHETWYND HONOURED AT THE BC DENTAL ASSOCIATION'S TOOTH FAIRY GALA

Chetwynd's own Dr. Alan Chan was honoured this spring at the annual British Columbia Dental Association's Tooth fairy Gala held in Vancouver on March 11, 2017. He was one of four B.C dentists to receive the Merit Award as recognition for his participation in the UBC affiliated, "Save a Smile Program." The SAS is a program that assists children from families with no access to dental insurance coverage.

On March 18, 2017, Dr. Chan was also inducted as a member to the prestigious International Pierre Fauchard Academy. The PFA's mission is "... to grow leaders in the dental profession, their communities and society."

Dr. Chan graduated from the UBC Faculty of Dentistry with honours in May of 2003. Dr. Chan says he has enjoyed serving the residents of Chetwynd since shortly after his graduation. He and the staff at Chetwynd Dental Clinic hope to continue to promote and support the healthy smiles of Chetwynd for many years to come.

FOUR ARRESTED IN GRANDE PRAIRIE FOLLOWING SEARCH WARRANTS AND DRUGS SEIZED

Four people are facing numerous charges after a significant amount of drugs were seized by the Alberta Law Enforcement Response Team after two search warrants were executed in Grande Prairie. Investigators seized 327 fentanyl pills, 26.7 grams of crack cocaine, four grams of crystal meth, 18 grams of marijuana and more than \$4,400 in cash on May 2nd from apartments in the Smith and Southview neighborhoods.

Staff Sgt. Pamela Robinson said, "There has been quite a bit of awareness and education surrounding the dangers associated with fentanyl, so 327 pills being seized in one location – knowing that even one pill can pose a serious health risk to any individual – makes this a significant investigation."

59 year old Youssouf Hassen and 25 year old Sara Desjarlais have each been charged with two counts each of possession of a controlled substance and possession for the purpose of trafficking, and one count of Possession of the proceeds of crime. 55 year old Lemesa Rare has been charged with two counts of possession for the purpose of trafficking and one count each of possession of a controlled substance and possession of the proceeds of crime. And 46 year old Mulugata Mekonen has been charged with one count each of possession for the purpose of trafficking and possession of a controlled substance.

Members of the public who suspect drug or gang activity in their community can call their local police or Crime Stoppers at 1-800-222-8477.

>> >> DON TITUS MONTESSORI SCHOOL << <<

Everything you wanted to know, but were afraid to ask....

What is 'Montessori'? It is a student-centered approach that encourages creativity and curiosity and leads children to ask questions, explore, investigate and think for themselves as they acquire skills.

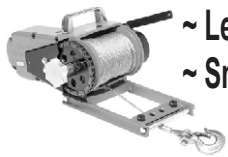

Here are some answers to common follow-up questions...:

- **NO**, 'Montessori' is not Finnish for 'strange' (it is the name of the founder, Ms. Maria Montessori)
- **YES**, students must follow the BC Curriculum (and excel - all of our Kindergarteners can read!)
- **NO**, there are no rows of desks (teachers focus on students, not the other way around!)
- **YES**, the classes have combined grades (students learn more by becoming teachers themselves!)
- **YES**, students have to help prepare snacks, clean, and care for animals/plants (useful skills!)
- **YES**, Princes William and Harry attended Montessori schools (as did founders of Amazon and Google!)

Make an informed decision
about your child's education!
